

CGJA News - 2020 Election

Greetings to our CGJA members!

We are just a few days away from opening the polls for the election of our CGJA Directors. This year, we will again be conducting the voting for directors electronically using the CGJA website. This system has been demonstrated to be secure and accurate. Members not having an email address in the CGJA database, or anyone preferring a paper ballot, will receive a paper ballot in the mail.

All eligible voters with an email address in the CGJA database will receive an email with a link to the website page where voting will occur. Voting instructions will be found on the site (be sure to scroll down so that you don't miss any important information) with a link to the appropriate candidate statements. As added security, and to provide anonymity for voter selections, you will be given a random control number that must be entered on the voting form as proof of your eligibility to vote. You will also need to insert the name of the county in which you reside.

After you make your candidate selections, enter your county and control number, and submit your vote, you are finished! Remember, though, that the website will not allow more than one vote per control number nor will it allow any changes to a vote once submitted.

You should receive the email containing your voting link by August 9, 2020. If you have not received your ballot by then, please send your name and county information to nec@CGJA.org and another link will be sent to you. The polls will close on August 31, 2020.

Should you have any questions, please contact Lou Panetta or Tim Hafner, Co-Chairs, Nominations- Elections Committee at nec@cgja.org.
